

## ASSUMPTION OF RISK & WAIVER

### Must be signed and dated by the participant

If a person other than the participant is registering, the form should be submitted without the signature; we will ask for it upon arrival at Kabeyun.

**It is very important that the participant is aware of the conditions below prior to arrival.**

**AGREEMENT OF CONDUCT:** Kabeyun is an alcohol- and drug-free facility. The participant understands that the possession or use of any alcohol or illicit drugs while at Kabeyun will result in being excused from the property and the program without refund. By signing below, the participant agrees to this as a condition of his or her participation.

**ASSUMPTION OF RISK:** I understand that the training I am registering for may expose me to many hazards. I understand that participating in these activities involves risk of personal injury, loss of or damage to personal property, or even death. I also understand that I should be in good health to participate in the training and agree to notify the instructor(s) of any health consideration that could pose a risk to me, or to others in my group. I am choosing to participate in this training despite the inherent risks, and assume all risk of injury, or loss of life to myself, as well as any loss or damage to property arising out of my participation.

**WAIVER:** In consideration of Kabeyun and the Porter Foundation furnishing services enabling me to participate in this training I specifically release and forever discharge Kabeyun, the Porter Foundation, and organizations providing training and instruction, and their respective trustees, officers, agents, and employees from any and all liability for any injury, illness, death, or loss of or damage to property which I may suffer while participating in the training.

I understand that participation in a training workshop alone does not ensure certification. I also understand that I am wholly responsible for any and all medical bills incurred for treatment of illness or accident I may suffer while participating in the training.

**I have read the above agreement and understand its contents. If I had questions, I asked Kabeyun for answers. I am aware that this is a waiver and release of liability, and sign it voluntarily.**
